RE: California Public Records Act Request

Dear Mr. Mass,

We received your California Public Records Act Request on December 13, 2018 for Automated License Plate Reader (ALPR) data. I answered your request with a letter Dated on December 18, 2018 stating that we didn't have an ALPR .

This is a follow up letter with the same information I sent with the original letter Dated on December 18, 2018.

The Burlingame Police Department does not have an Automated License Plate Reader (ALPR).

Enclosed is a copy of the Burlingame Police Department Policy Department Police 459 regarding ALPR> Our Agency needs to request an ALPR from another agency for The purpose of Exigent circumstances.

If you have any questions, I can be reached at (650) 777-4100 between hours of 8:00 am and 4:30 pm.

Sincerely,

Joy San Filippo
Records Department

Michael Matteucci
Chief of Police
